\$1MILLION NYRA BETS HASKELL STAKES

TO BE RUN JULY 18, 2026

GRADE I • 3-YEAR-OLDS • 1 1/8 MILES

STAKES (AND TRACK) RECORD: 1:46.24 – CYBERKNIFE (2022)

HISTORIC HIGHLIGHTS

The 2026 edition of the NYRA Bets Haskell Stakes marks the 59th renewal of the race named for the first president and chairman of the Monmouth Park Jockey Club. A year ago, Preakness winner and Kentucky Derby runnerup Journalism validated

his 2-5 favoritism with a late-running rally to win, doing so before a crowd of 41,876 – the largest attendance figure since Triple Crown winner American Pharoah's appearance in 2015.

The 14-race card also produced a record total handle for Haskell Day of \$21,999,962, the fourth straight year of a record handle. It marked the largest handle in track history for a non-Breeders' Cup event.

Amory L. Haskell was born in New York City in 1893. Following his graduation from Princeton University in 1916, he began a business career with the New Jersey Zin Company. That was interrupted by two years with the Naval Aviation Service in World War I. Following his tour of duty, Haskell joined the General Motors Corporation and rose to the position of vice president in charge of the company's export division. He left General Motors to form Triplex Safety Glass Company and

Amory L. Haskell

was president and chairman of the board when he sold it.

Shortly before World War II, after several years of intense lobbying in which Haskell played a prominent role, an amendment to the New Jersey Constitution was approved by referendum, legalizing pari-mutuel wagering for Thoroughbred and Standardbred racing. Haskell then organized a group of prominent New Jersey residents to build a modern Thoroughbred racetrack in Monmouth County. Appointed president and chairman of the Monmouth Park Jockey Club in 1945, he guided that organization through its opening in 1946 and continued at the helm until his death on April 12, 1966.

In 1968, the Monmouth Park Board of Directors honored his memory with the Amory L. Haskell Handicap, a race for older horses. In 1981, the Haskell name was transferred to a mile and an eighth invitational for the nation's top 3-year-olds. It changed from an invitational to a stakes race in 2020.

In 1995, Serena's Song became the first filly to win the Haskell, with the purse raised to \$750,000 the following year. In 1997, the purse was bumped to \$1 million, making it the richest invitational event in North America. Touch Gold, the horse that denied Silver Charm the Triple Crown by winning the Belmont Stakes, won the Haskell that year.

The 2001 edition attracted what was then a record crowd of 47,127, with Point Given winning for trainer Bob Baffert and jockey Gary Stevens. The purse that year was raised to \$1.5 million and produced the 3-year-old Champion and Horse of the Year, the fifth Horse of the Year to compete in the Haskell to that point.

The 2003 Haskell set what were then records for attendance (53,638) and handle (\$12,536,345), with the Bobby Frankel-trained Peace Rules defeating Sky Mesa and Kentucky Derby and Preakness winner Funny Cide. Peace Rules went on to be named champion 3-year-old.

In 2009, Rachel Alexandra splashed home an easy winner over 3-year-old Champion Summer Bird to become the second filly ever to win the Haskell.

The 2010 edition saw eventual 3-year-old Champion Lookin At Lucky win the Haskell for trainer Bob Baffert, one of his record nine winners in the race. Authentic became his ninth Haskell winner in 2021, holding on to win by a nose before going on to win the Kentucky Derby and Breeders' Cup Classic while being named Horse of the Year in a racing calendar altered by COVID-19.

In 2013, Verrazano set a win-margin record by drawing off to a 9¾-length victory, giving trainer Todd Pletcher his third Haskell win.

In 2014, Bayern dominated his foes with a 7¼-length score en route to a victory in that year's Breeders' Cup Classic. Among the field he defeated was 7-5 favorite Untapable, who went on to capture the Breeders' Cup Distaff and earned an Eclipse Award as the top 3-year-old filly.

Triple Crown winner American Pharoah made the 2015 Haskell his next stop after winning the Belmont Stakes, cruising to a geared-down victory under Victor Espinoza before a record New Jersey crowd of 60,983. American Pharoah's appearance led to a then-record handle of \$20,024,509 for a non-Breeders' Cup event. American Pharoah easily won as the 1-10 favorite, earning the winner's share of the record \$1.75 million purse.

Mandaloun's victory in 2021, when he was elevated from second to first as a result of the disqualification of Hot Rod Charlie, marked the first time the winner of the Haskell has been taken down.
